5/22/2019

On May 16, Esther Contreras, Principal in Masuda Funai's Immigration Group, spoke at the Society for Human Resource Management (SHRM) Spring Conference in Wisconsin. Esther's presentation titled "Mastering I-9 Compliance: Critical Concepts to Avoid Fines" revealed reasons employers can no longer afford to ignore I-9 compliance as Immigration Customs Enforcement (ICE) has more than doubled the number of audits over the last entire fiscal year. Esther discussed key aspects of a robust I-9 compliance program, including proper completion, best practices, self-audits, and what to do when the government comes knocking.

SHRM – Racine and Kenosha Area Chapter (SRKA) is an affiliated chapter of the Society for Human Resource Management. They received their charter in July of 2007 and are well on their way to achieving their objective of being a vital HR resource in the Racine and Kenosha County area.
