# Esther Contreras Featured in Coalition of Women's Initiatives in Law Newsletter

12/6/2019

Esther Contreras, Principal of Masuda, Funai, Eifert & Mitchell, Ltd. was featured in the Coalition of Women's Initiatives in Law (Coalition) Winter 2019 Newsletter as the Member Spotlight for the Chicago Chapter. The Member Spotlight includes a Q&A section that provides information about featured members, including career path and highlights, involvement in the Coalition, success attributions, advice and guidance for other members and future goals.

The Coalition of Women's Initiatives in Law is a non-profit membership association that brings together law firms, government and companies of all sizes. The Coalition was founded in Chicago in 2008, and today has chapters in New York and Washington, DC. Currently, more than 120 law firms and companies are members of the Coalition, stretching the reach of the Coalition to thousands of women attorneys in its member organizations.
