U.S. News & World Report and Best Lawyers recently released 2021 “Best Law Firms” rankings and gave Masuda, Funai, Eifert & Mitchell, Ltd. a Tier 1 ranking and seven attorneys were selected for inclusion in The Best Lawyers in America 2021. According to the two publications, firms included in the 2021 “Best Law Firms” list are recognized for professional excellence with persistently impressive ratings from clients and peers. The U.S. News – Best Lawyers® “Best Law Firms” rankings are based on a rigorous evaluation process that includes client and lawyer evaluations, peer review from other leading attorneys in the field, as well as additional information that was provided by law firms as a part of the formal submission process. To be eligible for a ranking, a firm must have a lawyer listed in The Best Lawyers in America, which recognizes the top five percent of practicing attorneys in the U.S.

The seven attorneys selected for inclusion as The Best Lawyers in America 2021 are as follows:

Esther Contreras

Bryan Funai

Kathleen Gaber
