## VISA BULLETIN FOR APRIL 2017

The Department of State (DOS) released the most recent Visa Bulletin. Below is the most recent summary of green card Final Action Dates and Dates For Filing dates for employment-based immigrant visa categories.

PLEASE NOTE: Per a new USCIS policy, a week after the Department of State (DOS) issues its monthly Visa Bulletin indicating immigrant visa availability for the next month, the USCIS will make its own separate determination on green card availability. If green cards are available for a certain category, the USCIS will post its own notice on its website at: [www.uscis.gov/visabulletininfo](http://www.uscis.gov/visabulletininfo) to alert immigrants applying in those categories with more availability, that they may use the Dates for Filing chart and not the Final Action Date chart. Thus immigrants may no longer rely on the DOS Visa Bulletin, but must wait one week after its publication and then look to the USCIS to see whether a green card is available to them.
