Masuda Funai Principals, David Alexander, Dayne Kono and Stephen Proctor attended Taiyo Technology of America Ltd.'s (Taiyo) reception and open house of their new facility located in Elk Grove Village, Illinois. They had the opportunity to meet many of Mr. Tsuji's (President) and Ms. Yasukawa's (General Manager) Singapore and Japan colleagues, as well as their customers and other business partners. Taiyo is a world-class supplier of plastic, interior parts for the automotive market and their new facility is a sales and warehouse focused operation.
